Prices include 7-day rental to fill the container along with the 1st ton of debris. If you exceed the 1st ton of debris, transfer station runs be weight, which is $61.00 per-ton, and you will be billed or the card on file will be ran for additional weight cost. Please know that we do charge $2.00 per transaction with a card. If you keep the containers longer than the 7-day rental, there is a daily rental charge. 8 & 10-yard run $10.00 per day, 20-yard run $20.00 per-day, & 30-yard run $30.00 per day after the 7-day rental. If you do a dump and return, regardless of time having container, the original amount charged + landfill over 1st ton will be due and your rental starts all over from that day. If you put debris in the container that cannot be dumped at the transfer station, there will be an automatic charge of $75.00 plus $2.00 per mile round trip to haul to the landfill. If you are not sure, call us. If you over fill, my driver will pull out things, so he is able to tarp and haul safely.
